## The Gospel is Still Good News

### The 5 Worldviews:

View 1 - Separation & Reunion

View 2 - Conflict & Vindication

View 3 - Emptiness & Fulfillment

View 4 - Condemnation & Forgiveness

View 5 - Suffering & Endurance

### Discussion Questions:

1. Which of the Five Worldviews do you resonate with?
2. Did any of these views surprise you?
3. How has this discussion helped shape the way you'd like to communicate to students (and parents and friends!)?

### Takeaways:

- In order for us to make the Gospel hit home even more, we must understand the Five Different Worldviews.
- Our World Views shape how we see and hear what is going on around us.
- Making the effort to understand a different worldview than our own will help us lead better as we engage with students who are looking for meaning and connection
